Re: GAGV v. City Assessor

Dear Ellen,

We expect to have two checks to send to you by the end of this month, totalling $6,674.70, the amount we have agreed upon. The checks will be made payable to the Gay Alliance of Genesee Valley, and we will mail them to you.

Enclosed is a proposed Stipulation and Release, which we would like to have you sign and return to us upon receipt of our checks. Please review it and let me know if it is acceptable.

We, too, are pleased that this case has finally been resolved.

With respect to your question about exemption renewal forms, I instructed our Assessor to list the GAGV property as exempt on the tentative 1994 assessment roll, filed on March 1, 1994, even though we had not received the appropriate renewal forms, because of the circumstances surrounding the litigation. Sometime in the fall of 1994, however, the Assessor's office will be mailing the necessary renewal forms for next year to the GAGV. They should complete the forms at that time and return them to the Assessor's office, in order to continue the exemption for the 1995 year.

Please let me know if my proposed Stipulation and Release is acceptable.

Very truly yours,

Susan Hauser
